

SANDUS PINTO

Thrissur, Kerala+91 7907594379sanduspinto18@gmail.comlinkedin

Summary

A motivated Computer Science and Engineering student with a passion for learning and building practical solutions. Quick learner with a basic understanding of programming, web development, and database management. Always eager to improve, adapt, and collaborate in a team environment to solve problems efficiently. Looking for opportunities to apply and enhance my skills in real-world projects.

Education

Saintgits College of Engineering,Kottayam

Computer Science & Engineering

2022-present

B.Tech

St.Mary's Higher Secondary School, Malappuram

Computer Science

2019-2021

Class 12

Experience

Unity

Feb 2024

Gained hands-on experience in **Unity 3D game development** and **Augmented Reality (AR)** through a 3-day industry-led internship conducted by ARK Infosolutions Pvt. Ltd, Chennai as Part of Industry Alliance Program .

Flutter

July 2024

completed one week internship on google flutter app development offered by Pacelab Kochi , where I learned the basics of **Flutter** and **Dart** to build simple mobile apps.

Projects

Food Security Management website

Oct 2024- Nov 2024

Developed a responsive frontend for seamless navigation and data access, enabling administrators to monitor hotels' compliance while allowing hotel managers to update details. Designed and managed an SQL database to track food safety metrics, ensure regulatory compliance, and optimize data storage for efficient decision-making.

Placement Cell Management System

Feb2024 - present

Currently developing a platform with student, admin, and company logins to streamline campus placements. Integrated features like aptitude tests, mock interviews, and real-time notifications to enhance student preparation and placement efficiency.

Volunteering

PMI Kerala Chapter

Sept 2023

Volunteer

Contributed to the smooth management of WINGS 2023, a state-level technical fest organized by PMI Kerala Chapter at Saintgits College of Engineering, developing skills in event coordination and hospitality.
